About HCL: The Health Career Ladder (HCL) program is a **FREE** enrichment program focused on guiding Pomona students (Kinder-12th grade) in becoming skilled and compassionate health care practitioners in a variety of medical and health care professions.

What to expect:

- Support, networking, and mentorship in each academy during your pursuit of a career in medicine.
- Hands on learning in a variety of healthcare professions and health-related scenarios to promote critical thinking.

Why join?

- Exposure to the many different health care professions and an opportunity to meet health professionals.
- Get practical experience and hands-on learning led by WesternU graduate health profession students and faculty.
- Create a support team at WesternU to help guide you on your career path to the health professions!
- Parent/guardian workshops in some of the following areas: youth education resources, nutrition, preventive chronic diseases, yoga, and much more!
