799 E. Second Street, Pomona, CA 91766

## INTERESTED IN BECOMING A DOCTOR, DENTIST, PHYSICIAN ASSISTANT, PHYSICAL THERAPIST, VETERINARIAN, PHARMACIST, OPTOMETRIST, OR OTHER HEALTH PROFESSIONAL?

Do you want to make a difference in your community? Join the Health Career Ladder and become a Medical Scholar! Open to 6th-12th grade students of the Pomona Unified School District, our Saturday Academies and academic tutoring can set you on the path to making your dream possible.

WesternU clinicians, scientists, health professional students, and community partners engage in hands-on science activities to build skills and confidence.

All sessions are held on the WesternU Pomona campus. Lunch is provided for all attending. Supervised interactive youth curriculum is available for accompanying children. Academic supervisors and parents are vital to the experience, and adult accompaniment of students is required.

For questions, contact Maria J. Moreno, Manager of Pipeline Programming at 909-469-8239 or email [morenom@westernu.edu](mailto:morenom@westernu.edu)
