PBIS for Distance Learning: Parents & Families

Tuesday, May 5, 2020 • 9:30 am - 10:45 am
Thursday, May 7, 2020 • 6:00 pm - 7:15 pm

Workshop Description:

When schools - a source of structure, continuity, and growth, are not in session, students may have fewer predictable routines, which can increase their anxiety and challenging behaviors. Positive Behavior Interventions and Supports (PBIS) which is a framework for teaching, re-teaching, and affirming expected social and behavioral skills both in school and at home, could be especially helpful when events such as worldwide health pandemic, disrupts normal routines. Join us as we share practical strategies and recommendations for families and caregivers on how to use PBIS to design predictable routines and continue to support their students' social and emotional growth and minimize behavioral disruptions in the home.
