

HCL

Health Career Ladder

American Indian Health Career Ladder (AIHCL) & Pomona Health Career Ladder (PHCL)

Western University of Health Sciences' Health Career Ladder has been committed to empowering and educating our communities through youth programming for 15 years.

About HCL:

WesternU's Health Career Ladder (HCL) program is a FREE enrichment program focused on guiding students (PreK-12th grade) in becoming skilled and compassionate health care practitioners in a variety of medical and health care professions.

IN PARTNERSHIP WITH:

JOIN US MONTHLY FOR A FUN & FREE EDUCATIONAL EXPERIENCE IN THE HEALTH PROFESSIONS FOR PARENTS/GUARDIANS AND YOUTH (PREK-12TH GRADE)!

Also available! More information to come!

Curriculum provided by WesternU's health profession students from Pipeline to Health Careers.

What to expect:

- Support, networking, and mentorship in each academy during your pursuit of a career in medicine.
- Hands on learning in a variety of healthcare professions and health-related scenarios to promote critical thinking.
- Exposure to the many different health care professions and an opportunity to network with health professionals and health professions students.

ALL YOUTH UNDER 18 MUST BE ACCOMPANIED BY A PARENT/GUARDIAN.
